Judge: Donna M. Ryu

Courtroom: 4, 3rd Floor

The parties present this Stipulation to jointly request the Court to grant a continuance of the Settlement Conference set before Magistrate Judge Ryu on September 23, 2016 and to extend the date to complete the ADR process to November 30, 2016. The current Stipulation and Order setting the ADR process requires the parties to hold the ADR by October 11, 2016.

~~[Proposed]~~ Order and Stipulation to Request Continuance of the Settlement Conference Currently Set for
September 23, 2016 Before Magistrate Judge Donna M. Ryu and to Extend the ADR Deadline
Case No. 16-CV-01514-TEH

The reason for these requests is that the parties have set a private mediation with a subject-matter expert, Barry Winograd. The mediation will take place on October 12, 2016 at Mr. Winograd's office in Oakland, California. The parties chose this date because the parties want to complete depositions prior to the mediation. Completing the depositions prior to the mediation will enable the parties to have a more productive Settlement Conference.
